

## Welcome to HMS's *FIRST*® Tech Challenge Team #25016!

This program will challenge HMS students in 7th & 8th grade to design, build, program, and operate robots to compete in this year's FTC Challenge: Into The Deep!

About FTC <https://www.firstinspires.org/robotics/ftc>

Game & Season Info: <https://www.firstinspires.org/robotics/ftc/game-and-season>

Students will be guided by adult coaches and HHS's very own *FIRST*® Robotics Competition Team 484 student members to develop STEM skills and practice engineering principles, while realizing the value of hard work, innovation, and working as a team.
