

HHS Robotics Information Sheet

Instructions to Join:

- | | |
|--|---|
| 1: Submit Interest Form | within 1 week of joining or 10/15 |
| 2. Submit Media Release & Tool Consent and Release | within 1 week of joining or 10/15 |
| 3: Guardian MUST Attend Mandatory Parents Meeting | within 2 weeks of joining or 10/17 |
| 4: Register on FIRST's Website | within 2 weeks of joining or 1/4 |
| 5: Pay \$150 Activity Fee | within 2 weeks of joining or 1/4 |

The activity fee covers the cost of attendance at all local competitions and 1 team shirt.

We never want cost to be a deciding factor in joining the team. Parents, if this fee is a financial burden, please reach out to discuss a waived or reduced fee.

Interest Form

Minimum Team Expectations:

- Your well being and school performance take priority over robotics
- You get what you put into the program. Take initiative, work together, and have fun!
- Media/Awards, Business/Fundraising and Outreach/Volunteering, are integral parts of FIRST Robotics. Students are expected to support at least 1 non-technical discipline.
- Attendance
 - Local events are open to all team members.
 - To travel with the team on overnight trips you must attend at least 50% of scheduled team meetings. Attending is defined as being present for 2/3rds of the scheduled time.
- You must qualify for the travel team in order to be eligible to try out for the drive team and/or pit-crew.

Who We Are (team484.org):

The Haverford Robotics Team designs and builds robots to compete in *FIRST*® Robotics Competitions. We have a dedicated group of mentors, engineers, and parents that work alongside our students to teach and inspire.

Schedule (team484.org/calendar):

Fall Off-Season (September-December).

In the fall we meet two evenings a week, typically Tuesday and Thursday, from 6:30-9pm and select Saturdays from 10-3pm for robot modifications, workshops, fundraising, community outreach events, and off-season competitions:

- October 5th - Haverford Township Day Demo
- October 19th - HAVOC 📍 William Tennent High School , Warminster PA
- November 2nd - Ramp Riot 📍 Wissahickon High School , Ambler PA

Build Season (January-March)

During “build season” (January-March) we meet 4 evenings a week from 6:30-9:00pm and Saturdays from 10am to 4pm to design, build, and program a robot for the current season’s game.

Competition Season (March-April)

During competition season (March-April) we meet anywhere between 2-4 evenings per week from 6:30-9:00pm with 2-4 weekend competitions thrown in the mix (see **tentative** competition schedule below) depending on how far we qualify.

- March 7th-9th - Qualifier #1 📍 Seneca High School , Tabernacle NJ
- March 21nd-23th - Qualifier #2, 📍 Warren Hills Regional High School , Washington NJ (overnight)
- April 2th-April 5th* - District Championship 📍 Lehigh University , Bethlehem PA
*Team must qualify to attend
- April 17th-20th* - World Champs 📍 George R. Brown Convention Center , Houston TX
*Team must qualify to attend

Spring Off-Season (April-June)

In the spring we meet two evenings a week, typically Tuesdays and Thursdays, from 6:30-9pm and select Saturdays from 10am to 3pm for robot modifications, workshops, fundraising, community outreach events, and an off-season

- June (TBD) - Duel on the Delaware 📍 Salem Community College , Carneys Point NJ
